Dear [REDACTED]

Thank you for your interest in our records. For future correspondence, please update your records/make note of our BID email addresses as shown above.

We seek to provide these records at our earliest opportunity. At a minimum, we will provide an update by Thanksgiving.

Warmest regards,

Tara

Good morning, Venice Beach BID.

I'm wondering what has become of the appended request. I sent it eight months ago. The law requires you to have responded by February 27, 2017, but you have failed to respond at all.

I see that I neglected to include a starting date for your search. I need to see all such records from January 1, 2016 through whenever you run the searches.

Thanks for your help and cooperation,

[REDACTED]
